

Monday Morning.

Dear Louise,

You asked me for  
your Fiat: pin and if you  
should get one and I  
supposed you asked pop.  
he was mad to think you  
did not ask him, so he  
is sending money for it.  
you said you had to  
order it at the meet-  
ing so this money is  
for it. we ran out of  
gas at the power house  
in Mayfield and Mr. S.  
& pop had to drive up  
to Gruber's for some gas.  
home just 12.
